Dear Jacqueline,

Thank you for supporting the Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs this year. You played a significant role in helping numerous taxpayers meet their tax obligations. By ensuring accurate tax returns were prepared and filed, you helped many American families reach financial stability.

Despite the number of challenges that we faced this filing season, your unwavering commitment to helping VITA/TCE taxpayers receive free tax return preparation services is commendable and worthy of recognition. I wanted to personally thank you for the countless hours of volunteer service you provided in your local community. You might have chosen other worthy causes to support, but I am happy you chose to work with us.

I truly appreciate the hours you dedicated toward making this filing season a success. Thank you once again! I hope you choose to support the VITA/TCE programs again next year.

Sincerely,

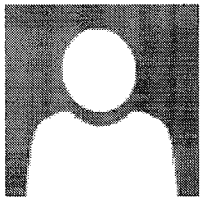

Dietra D. Grant
Director, Stakeholder Partnerships,
Education and Communication (SPEC)
